Pewamo-Westphalia Community
High School

Dedication

We, the Senior Class of 1962, and the first graduating class of the new Pewamo-Westphalia Community School, dedicate this yearbook to the taxpayers of our school district.

To our parents, friends, patrons, teachers, and to all those people who made this school possible, we owe a debt of gratitude--gratitude for the wider range of subjects, and for the invaluable extra-curricular activities, for the monument to the educational wishes and needs of two communities, who joined forces to better their chances of obtaining these needs.

Therefore, we the Senior Class of 1962, bid a fond farewell to the faculty and students of Pewamo-Westphalia School.
